Someone may have done something to your Mum. See page 31 of the page PRACTICAL ISLAMIC ADVICE on www.dr-umar-azam.com There is a Taweez entitled, 'Recovery from all illness'. Print out the Taweez, cut it out, put it in an amulet-holder and ask your Mum to wear it around her neck. Insha'Allah, she will recover.

I came across your website out of desperation to find a taweez/dua for my mother who is suffering incredible pain. She can barely walk and spends most of the day crying from the pain. The doctors think she has arthritits but cannot be sure, she has swollen joints and her knees and ankles are especially swollen and painful. She was completely fine and very fit and active for her age a few months ago. She has been learning Quran for the past 5/6 years as she never learnt in childhood, MashaAllah she completed it 2 months ago and told quite a few people, it was after that the pain started. Once the pain was so bad her legs gave way and she fell, fracturing her knee.

Please can you advise, I am desperate as I cannot see her suffering.

Salam,

In my opinion, the gist off your dream is this: your dream seems to be telling you that you have had severe problems of an emotional kind in the past & they will be coming to an end soon, probably with the help of someone else or by your turning to Islam wholeheartedly [symbolised by the help of the old man].

I am aware that once people become more religious in Islam, they begin to dream more, or remember their dreams better.

Dreaming of Mecca can mean that you are/will be rightly guided in matters of our Islamic religion. It can also mean:

Makkah

MAKKAH: Seeing oneself entering Makkah in a dream may refer to a state of security and peace. [Sharh as Sunnah, vol 12 p 221]

Based on: "Whoever enters Makkah will be secure" [Surah al Imran (3): 97]

So I'm v. pleased to learn of your dream - it's great news that you are now more religious than before.

Thank you so much for your precious comments on my Site www.dr-umar-azam.co.uk In reply to your question, yes it's best to say the Bismillah in every Raka of salah. Here is the relevant link:

http://en.wikisource.org/wiki/Tafsir_Ibn_Kasir

The relevant part in this link are these words:

“The proof that these scholars relied on is that, since Bismillah is a part of Al-Fatihah, it should be recited aloud like the rest of Al-Fatihah.”

May Allah Bless You!

Accha kiya jo aapne mujhe khwab ki tarajme ki liye e-mail kiya. Aap ki liye khush khabri - the twin siblings represent the next two years of prosperity for you. The green grapes signify forthcoming wealth, so in your work you will be earning plenty of money and will be spending it on your family too [represented by your father] or earning it through some action or advice of your family. You could move districts - symbolised by the street.

May Allah give you success and wealth as indicated in the dreams! Ameen.

THANK YOU FOR YOUR E-MAIL. SOMETIMES, IT'S BETTER IF A PERSON TALKS THE TRUTH EVEN IF IT HURTS. IF YOU ARE COMMITTING FORNICATION [DOING THE MARITAL ACT BEFORE MARRIAGE], YOU ARE COMMITTING ONE OF THE MAJOR SINS, SO YOUR DREAMS ARE HARDLY LIKELY TO BE PLEASANT. I BELIEVE THE STUFFED BIG CATS SYMBOLIZE *ENMITY* OF SOMEONE TOWARDS YOU – PERHAPS THE RELATIVES OF THE PERSON YOU ARE ILLICITLY INVOLVED WITH. CATS WITH LONG CLAWS SYMBOLIZE AGGRESSIVE *THIEVES* WHO ARE AFTER WHATEVER THEY CAN GET FROM YOU – MONEY, PROPERTY ETC., AGAIN POSSIBLY FROM AMONGST THE SAME PEOPLE.

MY ADVICE – REPENT TO ALLAH MOST HIGH AND GET MARRIED LAWFULLY.

Sorry to accuse you two of improper behaviour. JazakAllah - may Allah Most High give both of you the opportunity to get married. However, the interpretation remains the same - other people are going to end the opportunity for you two to lawfully get together. I've highlighted in red the bits that foretell your split and who is responsible [ie her brother and his wife or wife's relatives]. I've already told you that cat with long claws means aggressive thief. I hope this dream turns out to be wrong!

Dr Umar

it was like it was me and the boy i love and we are like really really deeply in love and we are just sitting somewhere really nice and green and beautiful and I dont know what we are doing but we are very busy doing something, I think we are reading something or i dont know but we were doing something with paper reading writing stuff. So then I dont know wut happens suddenly I find myself at the same place but totally changed the boy i love is not there anymore and im missing him so much and all the greenery has gone to gray and brown and drought, and there are some really scary animals like tiger and loins but all the dangerous animal are kinda dried like the lion is standing there the tiger and stuff but they cant' move they are all dried and there are dry leaves everywhere and a slope down and kinda scary dark environment so suddenly I see in front of me something like a cat a big really big black cat with looooooong looong black long shiny nails and its looking at me laughing so i suddenly start running away i climb up and the cat is running after me and I get through a door I pass that door but cant close it there is no lock then i pass another door i cant close it there is no lock again then i get to the third door

and I can lock it and I feel all safe... then i saw random stuff like my elder brother and his wife and then i woke up for fajr but that dream again had this emotional effect on me

Thanks for asking me to interpret the dreams; the replies are given underneath each one:

|

Dream 1

|

I dreamt I was in a foreign country. I am not sure, but I think it was switzerland or Italy. In the dream I had gone there for vacation, but was considering living there for good. I also saw a few of my good friends there by chance, and was telling them that if they settled in that country, I will also settle there and we would all have alot of fun there.

|

I think this dream may be literal - you may find yourself in a new location or situation which will be socially pleasant for you [as long as you don't commit sin in the new place or situation].

|

Dream 2

|

I dreamt I was lying down next to my ex-fiance. He was trying to touch me, but I did not want him to, and I kept reading from the Quran out loud. I don't remember what sura I was reading, but I kept turning the pages of the quran and reading it fast.

|

Seeing the Holy Quran in a dream means being guided by Allah Most High. Your ex-fiance is an evil character, but you yourself are God-fearing.

|

Dream 3

I dreamt my friend was very fat (in real life she is slim and tall).

Being fat represents prosperity for your friend - either money-wise or in some situation or phase in life.

You're most welcome to contact me whenever you want. See www.dr-umar-azam.com and www.dr-umar-azam.co.uk and sign my Guest Book on each Site, please Hanan.

Thanks for signing my Guest Book on www.dr-umar-azam.com. Insha'Allah, in the near future I'm hoping to get the entire PRACTICAL ISLAMIC ADVICE retyped & converted into ,pdf format; that will sort out the low resolution problem as well. I don't know myself how long that will take. For now, can you print it out one page at a time.

Can you look at www.freewebs.com/drumarazam & sign my Guestbook on that Site too. JazakAllah.

Thanks v. much for your valuable feedback. My younger brother, Masha'Allah, had many, many more visions about me but they are handwritten in illegible writing. It's pleasing to know you find them fascinating; so, too, did we! Paradise will, of course, be fascinating! But I can't say that I am guaranteed Paradise already because I'm still alive & being tested! Insha'Allah, they will come true. A project for the future for me would be to get them typed up & pay someone for it. Until then, they can't be put on the Internet. I don't know how long that will take.

Can you now look at my brand-new website www.freewebs.com/drumarazam and sign the Guestbook on that site too. JazakAllah.

Dua for a Good Marriage

See: <http://www.duas.org/matril.htm>

You shouldn't use Islam for such purposes as turning away people, Rehmana. Just tell the peer to go, diplomatically, or rather your family should!

I gave my copy of Panjsurah Sharif away to someone; now I can't get a copy for myself from the Islamic bookshop! so I can't tell you what the Naqsh are for at the moment. Keep on trying at your local Islamic bookshops, or ask them to import copies from India or Pakistan. It won't just be you who benefit, but other Muslims who will buy the PAJSURAH shareef.

Here's how to use the Taweez. Print out the Taweez, put it in an amulet-holder [available from Islamic bookshops] and then wear it around your neck after taking a bath.

Do you know about my other 2 Sites? www.dr-umar-azam.co.uk and www.freewebs.com/drumarazam ?

Thank you so much for replaying me. A few days ago i visited your website and ever since i have been reading your articles all the time, its very helpful. I also printed out some of the taweez you have there but i do not know how and for what they are used (such as surah yasin), since i do not own panjsura shareef and checked out some bookstores but cant find one. and also the other taweezs you have there (such as the 'for success in exams') but i have no idea of how to use them. Please reply me back with some information, i will be very happy.

Thank You
