Why would we need Young Boys in JunnaT if we do not want to put our dicks in their Ass?

Salam Mike, all,

Lane's Lexicon has the word "HOOR" as a plural form of two words---masculine "AHWAR" and the feminine "HAURA"--both means 'companions with beautiful eyes'. The other limb of the expression "een" of the "HOOUN EEN" is also the same type of plural coming from the two singular "A'YUN" and "AYNAA", the former applied to the male eye and the latter to the female eye. Thus, the full expression "HOORUN EEN" as used in the two verses 52:20 and 44:54 would mean "men and women with extraordinary beautiful eyes" and since they are spoken of 'paired with believers" in some verses, this expression is best translated as "beautiful companions" and are essentially gender non-specific.

It is important to realize that the Qur'anic concept of "Paradise" as a place of extreme comfort is only an allegory (mathal) as is expressly indicated in verses 13:35 and 47:15. Thus, the word HOOR as used in 52:20, 44:54, 55:72, and 56:22 just means "companions" (gender-non specific). That should take the wind out of the lustful sails of some religious fanatics who think of the HOOR as 'beautiful virgins'.

I think the reason some classical commentators have been inclined to treat "HOOR" as 'virgins' is because traditionally in most, if not all, human societies the "beauty" and the "purity" are treated as feminine qualities even though in real life they apply to both genders, and the Arabic language is no exception. Regarding this last point, two other glaring examples that come to my mind is the Qur'anic mention of the feminine words "SALIHAAT" and "TAYYIBAAT" which means both "good and pure things/deeds" as well as "good and pure women".

I see that, once again, you have stopped doing updates. You should be doing them weekly at least. I have paid #60 for Site hosting and the rest for one year's maintenance. The .co.uk Site has to be filled up by August 2008 when the maintenance expires [then Vol 3 can be done]. But if you keep on delaying the updates, then it is only fair that you extend the maintenance period [free of charge]till, say, Dec. 2008.

Its the Mullah's trap, reset again. To trap the innocent humanity.

In another life, about which we know nothing but Mullahs know everything because they just came back. They hitched a free ride of course. They are free loaders any way. They do not put in any physical work but consume the hard earnings of others, attained through hard work. This is their business since hundreds of years.

The creator of all, Allah, cannot give house to all in heaven?

Will humans need a house there? The Mullah knows all. But knows nothing at all.

No one knows the story after death. Al Quran.

Since humans long for a house in this world, these Mullahs exploit us through our needs.

Stop listening to such persons who claim to be better knowers than Allah.

It is your life, do not be lead on a leash by such fakes. They know nothing about the Quran or Allah's message. Mere charlatans.

The Muslim Misery

Posted By: Abdul / Bashir

Date: Sunday, 17 October 2004, at 10:31 a.m.

Salam,

The whole world can see the preview of this "Hellfire" let loose right here on a nation that, once upon a time, reached unimaginable heights following the teachings of the Qur'an alone. Now look at it--humiliation upon humiliation day in and day out, misery upon misery, sheer desperate state of dependence, abject poverty (intellectual and economic), destitution in education standards, illiteracy, apathy, complacency and dark inertia caused by the disease you and I know as Mullahism. This nation that was intellectually so tall that the world envied its stature, has now been reduced to miserable dwarfs--they have eyes but they cannot see, they have ears but they cannot hear, they have hearts/minds but they cannot feel/think. These mullahs are worse than quadrupeds. The Hellfire on the Day of Judgment will be indeed much harsher but you can see its 'trailer' right on this mortal earth. These are the folks who Mix Falsehood with the Truth (2:42). Look what has become of them!

If one cannot figure out what "human shayateen" means, take a fresh look at mullahs.

Wassalam,
Abdul

One of the causes of downfall of Judeo-Christian religion was ' Ghulo Fi Deen' - Exaggeration ! They had raised their prophets and clerics to Divinity. Same blunder is being repeated by the Muslims. They may not be aware of their doings but the fact is that they worship the Prophet more than they worship God. In Salaat alone the number of raka'at prayed as Sunna are more than Fardh raka'at. And, you rarely hear of Muslims arranging " Mahfil-e-Hamd" (assembly for celebrating God's Praises). Contrarily, you often hear about " Mahfil-e-Na'at" (assembly to praise the Prophet). Since, long time I am observing that Pakistan TV always quote an Hadith before the daily news but never quote a verse from Quran. Is it not an injustice? Surely, it is ! But against whom ? Surely, not against God but our own selves. As a result God clearly announced : " Zooqu A'zaab al Hareeq bema Kuntum Takfaroon ". Taste the Hell Fire ! This is because you are denying the truth.

Twelve Proofs that Muhammad is a True Prophet

By Shaykh `Abdul Rahman `Abdul Khaliq

My brothers and sisters everywhere! With this essay, I am not singling out the adherents of Islam - to which I ascribe - but rather I am writing this essay to every man and woman throughout the whole world.

I ask Allah that He facilitates that this essay reaches every ear, falls under the sight of every eye, and is understood by every heart...

Muhammad the son of `Abdullah is Allah's Prophet and the Final Messenger Sent by Allah to the Inhabitants of Earth.

My brothers and sisters everywhere! You should know that the Messenger, Muhammad the son of `Abdullah (may Allah's blessings and peace be upon him) is Allah's Messenger in reality and truth. The evidences that show his veracity are abundant. None but an infidel, who out of arrogance alone, could deny these signs.

Among these proofs:

1. Muhammad (may Allah's blessings and peace be upon him) was raised illiterate, unable to read or write, and remained like that till his death. Among all his people, he was known as being truthful and trustworthy. Before receiving revelation, he had no prior knowledge of Religion or any previously sent Message. He remained like that for his first forty years. Revelation then came to Muhammad with the Koran that we now have between our hands. This Koran mentioned most of the accounts found in the previous scriptures, telling us about these events in the greatest detail as if he witnessed them.

These accounts came precisely as they were found in the Torah sent down to Moses and in the Gospel sent down to Jesus. Neither the Jews or Christians were able to belie him regarding anything that he said.

2. Muhammad (may Allah's blessings and peace be upon him) also foretold of everything that would occur to him and his community after him, pertaining to victory, the removal of the tyrannical kingdoms of Chosroes [the royal title for the Zoroastrian kings of Persia] and Caesar, and the establishment of the religion of Islam throughout the earth. These events occurred exactly as Muhammad foretold, as if he was reading the future from an open book.

3. Muhammad (may Allah's blessings and peace be upon him) also brought an Arabic Koran that is the peak of eloquence and clarity. The Koran challenged those eloquent and fluent Arabs of his time, who initially belied him, to bring forth a single chapter like the Koran. The eloquent Arabs of his day were unable to contest this Koran.

Indeed, till our day, none has ever dared to claim that he has been able to compose words that equal-or even approach-the order, grace, beauty, and splendor of this Glorious Koran.

4. The life history of this Noble Prophet was a perfect example of being upright, merciful, compassionate, truthful, brave, generous, distant from all evil character, and ascetic in all worldly matters, while striving solely for the reward of the Hereafter. Moreover, in all his actions and dealings, he was ever mindful and fearful of Allah.

5. Allah instilled great love for Muhammad (may Allah's blessings and peace be upon him) in the hearts of all who believed in and met him. This love reached such a degree that any of his companions would willingly sacrifice his (or her) self, mother or father for him.

Till today, those who believe in Muhammad honor and love him. Anyone of those who believe in him would ransom his own family and wealth to see him, even if but once.

6. All of history has not preserved the biography of any person in the manner it has preserved the life of Muhammad, who is the most influential human in history.

Nor has the entire earth known of anyone whom every morning and evening, and many times thereafter throughout the day, is thought of by those who believe in him. Upon remembering Muhammad, the believers in him will greet him and ask Allah to bless him. They do such with full hearts and true love for him.

7. Nor has there ever been a man on earth whom is still followed in all his doings by those who believe in him.

Those who believe in Muhammad, sleep in the manner he slept; purify themselves (through ablution and ritual washing) in the manner he purified himself; and adhere to his practice in the way they eat, drink, and clothe themselves.

Indeed in all aspects of their lives, the believers in Muhammad adhere to the teachings he spread among them and the path that he traveled upon during his life.

During every generation, from his day till our time, the believers in this Noble Prophet have fully adhered to his teachings. With some, this has reached the degree that they desire to follow and adhere to the Prophet's way in his personal matters regarding which Allah has not sought of them to adhere to in worship. For example, some will only eat those specific foods or only wear those specific garments that the Messenger liked.

Let alone all that, all those who believe in Muhammad repeat those praises of Allah, special prayers, and invocations that he would say during each of his actions during day and night, like: what he would say when he greeted people, upon entering and leaving the house, entering and leaving the mosque, entering and leaving the bathroom, going to sleep and awaking from sleep, observing the new crescent, observing the new fruit on trees, eating, drinking, dressing, riding, traveling and returning from travel, etc.

Let alone all that, all those who believe in Muhammad fully perform-even to the minute detail-every act of worship-like prayer, fasting, charity, and pilgrimage-as this Noble Messenger (may Allah's blessings and peace be upon him) taught and as he himself performed.

All of this allows those who believe in him, to live their lives in all aspects with this Noble Messenger as their example, as if he was standing before them, for them to follow in all their doings.

8. There has never been nor will there ever be a man anywhere upon this earth who has received such love, respect, honor, and obedience in all matters-small and large alike-as has this Noble Prophet.

9. Since his day, in every region of the earth and during every period, this Noble Prophet has been followed by individuals from all races, colors and peoples. Many of those who followed him were previously Christians, Jews, pagans, idolaters, or without any religion. Among those who chose to follow him, were those who were known for their sound judgment, wisdom, reflection, and foresight. They chose to follow this Noble Prophet after they witnessed the signs of his truthfulness and the evidences of his miracles. They did not choose to follow Muhammad out of compulsion or coercion or because they had adopted the ways of their fathers and mothers.

Indeed many of the followers of this Prophet (may Allah's blessings peace be upon him), chose to follow him during the time when Islam was weak, when there were few Muslims, and when there was severe persecution of his followers on earth. Most people who have followed this Prophet (may Allah's blessings and peace be upon him) have done so not to acquire some material benefits. Indeed many of his followers have suffered the greatest forms of harm and persecution as a result of following this Prophet. Despite all this harm and persecution, this did not turn them back from his religion.

My brethren! All of this clearly indicates to anyone possessing any sense, that this Prophet was truly and really Allah's messenger and that he was not just a man who claimed prophethood or spoke about Allah without knowledge.

10. With all this, Muhammad came with a great religion in its credal and legal make-up. Muhammad described Allah with qualities of complete perfection, and at the same time in a manner that is free of ascribing to Him any imperfection. Neither the philosophers or the wise could ever describe Allah like such. Indeed it is impossible to imagine that any human mind could conceive of an existing being that possesses such complete ability, knowledge, and greatness; Who has subdued the creation; Who has encompassed everything in the universe, small or large; and Who possesses such perfect mercy. Nor is it in the ability of any human being to place a perfect law based upon justice, equality, mercy and objectivity for all human activity on earth like the laws that Muhammad brought for all spheres of human activity - like buying and selling, marriage and divorce, renting, testimony, custody, and all other contracts that are necessary to uphold life and civilization on earth.

11. It is impossible that any person conceive wisdom,, morals, good manners, nobleness of characters as what this honorable Prophet (may Allah's blessings and peace be upon him) brought.

In a full and complete manner, Muhammad spread a teaching regarding character and manners toward one' parents, relatives, fiends, family, humanity, animals, plants and inanimate objects. It is impossible for the human mind alone to grasp all of that teaching or come with a similar teaching.

All of that unequivocally indicates that this Messenger did not bring an) of this religion from his own accord, but that it was rather a teaching and inspiration that he received

from the One Who created the earth and the high heavens above and created this universe in its miraculous architecture and perfection.

12. The legal and credal make-up of the religion that the Messenger, Muhammad, (may Allah's blessings and peace be upon him) brought resembles the engineering of the heavens and the earth. All of that indicates that He who created the heavens and the earth is the One Who sent down this great law and upright religion.

The degree of inimitability of the Divine law that was sent down upon Muhammad is to the same degree of inimitability of the Divine creation of the heavens and earth. For just as humanity cannot create this universe, in the same manner humanity cannot bring forth a law like Allah's law that He sent down upon His servant and messenger Muhammad (may Allah's blessings and peace be upon him).

Allah knows that a person will disbelieve. Now the person can't disbelieve without the will of Allah, so Allah has to will it for the person to carry out his intention.

Could you specify who exactly puts these "veils in front of their eyes and locks on their hearts??!!" If I remember correctly, the Quran specifies it is Allah. Therefore not the fault of the Kaffirs but fault of whoever has put on these veils & locks. If somebody locks my heart it is not my fault for I am the victim.

But then on the other hand it is you who have veils & locks; for you insist a life & person is perfect, when he was not.....nothing but blind human worship.

Now, are you striving for a one story or two story "House in Paradise??!!"

As long as Islam has religious leaders (not just illiterate bumpkins in some remote village in Pakistan or Afghanistan) like Khomeini who put a price on Salman Rushdi's head because he did not like Rushdi's book, outsiders can only conclude that Islam is nothing more than a homicidal cult.

As soon as rank and file Muslims repudiate leaders like Khomeini and the Jihadists, they may be able to claim truthfully that Islam is a religion of love and peace. Until then all such claims are nothing but lies. Adherents to Islam should be addressing all their complaints to Khomeini-style leaders and Jihadists, not to "Kaffirs."

So if these are "proofs" then if I disprove any single item then God and your our conscience will demand that you renounce Islam and its teachings.

(These are not 12 points, you have many with each and many are not related) This proves YOU are irrational and uneducated.

I saw no "proofs" and not even valid points. If you are honest you will convert from Islam. If not the true God will judge you as rejecting him.

1) was raised illiterate

[Not a point I would be proud of]

he was known as being truthful and trustworthy

[So what? Only the converts to Islam were asked]

Before receiving revelation, he had no prior knowledge of Religion or any previously sent Message. He remained like that for his first forty years.

[FALSE. He was raised in a hot bed of religion on a cross-roads of trading routes. So for 40 years he could listen to ALL the tales from all major religions since most had temples in his home town. Also around the camp fire of at night story telling is still a common practice. SO he would have had to be a hermit to not know a lot about most religions.

Revelation then came to Muhammad with the Koran that we now have between our hands.

[FALSE. The Koran did not exist during Muhammad's life time. Various pieces were collected AFTER his death and compiled by a committee appointed by the local ruler.

This Koran mentioned most of the accounts found in the previous scriptures, telling us about these events in the greatest detail as if he witnessed them. These accounts came precisely as they were found in the Torah sent down to Moses and in the Gospel sent down to Jesus. Neither the Jews or Christians were able to belie him regarding anything that he said.

[FALSE. It does not get any major story from the Torah or Gospels correct. If that was even his intention then he would have referenced the ORIGINAL documents. He did not do this since he HAD to chance the meanings of the original stories because if he did not then there would be no need for him or his new invention.

2. Muhammad also foretold of everything that would occur to him and his community after him, pertaining to victory, the removal of the tyrannical kingdoms of Chosroes and Caesar,

and the establishment of the religion of Islam throughout the earth.

[A warlord that foretold victory???? ALL warlords, and rulers of then and today tell their soldiers the same thing.]

3. Muhammad also brought an Arabic Koran that is the peak of eloquence and clarity. The Koran challenged those eloquent and fluent Arabs of his time, who initially belied him, to bring forth a single chapter like the Koran. The eloquent Arabs of his day were unable to contest this Koran.

[Arabs of the day that did contest the Koran were killed. Also see above. The committee that compiled and edited the Koran was eloquent, but eloquent is a matter of opinion]

4. The life history of this Noble Prophet was a perfect example ...

[FALSE. He was a warlord, killing, conquering, forcing conversions, "marrying" a harem, war crimes, etc.....]

5. Allah instilled great love for Muhammad in the hearts of all who believed in and met him. This love reached such a degree that any of his companions would willingly sacrifice himself, mother or father for him.

[Cult leaders of today have the same fanatical followers, but only cults require criminal behavior of their followers (war, conquest, etc.)]

6. All of history has not preserved the biography of any person in the manner it has preserved the life of Muhammad, who is the most influential human in history.

[not true, but also not evidence even if it was.]

7. Nor has there every been a man on earth whom is still followed in all his doings by those who believe in him.

Those who believe in Muhammad, sleep in the manner he slept; ...

[Proof that muslims are fools nothing more. The real God does not care how u sleep, eat, or which direction you point at prayer, or if u make a physical trip or not.]

8. There has never been nor will there ever be a man anywhere upon this earth who has received such love, respect, honor, and obedience in all matters-small and large alike-as has this "Noble Prophet".

[Flase. Jesus, Budda, Moses, David, etc. Muhammad is considered by many just a criminal and his followers are now doing Satan's will (terrorism, oppression of women, oppressive governments, etc.)]

9. Since his day, in every region of the earth ...

[If Islam is true why is it the only religion FORCED on people? That was how it started (forced conversions) and how is now spreads (Islamic Nations). It is illegal to choose another religion in Islamic nations. It is the only religion who's leaders think it so weak as to need to be defended]

10. With all this, Muhammad came with a great religion in its credal and legal make-up. ...

[Islam is just a bad copy of Judaism in its oldest forms. Today Islamic nations are just very similar to communist nations. Why would the real God want oppressive nations to speak for him? Does Saudi, Taliban, Syria, Iran, speak for this Allah guy? If so that Allah sounds a lot like Satan.]

11. It is impossible that any person conceive wisdom,, morals, good manners, nobleness of characters as what this honorable Prophet brought. ...

[False. Jesus was much greater than Muhammad. Abraham, Moses, David also were greater. Muhammad does not rate mentioning among the real Prophets or Jesus.]

12. The legal and credal make-up of the religion that the Messenger, Muhammad, (may Allah's blessings and peace be upon him) brought resembles the engineering of the heavens and the earth. ...

[I am not sure what your point is? SO it can't be a "proof". Did you mean to refer to governments or science? Governments and legal systems of Islam are among the worst in the world. Islamic science is an oxymoron with all Islamic nations going into a dark age in the modern world.]

YOU DON'T SEEM TO UNDERSTAND THE CONCEPT OF 'FREE WILL'. IF ALLAH CREATED MANKIND 'MUSLIMS ONLY', THEN THERE'D BE NO FREE WILL; WE WOULDN'T KNOW WHO WOULD CHOOSE TO BELIEVE AND WHO WOULD NOT.

Salam, Danial

Her father has died. I'm afraid the fact that he met you appears to mean that your and her relationship is going to die i.e. end too. However, you are an *honourable* character and so, too, was her father - symbolised by the tall height. I suppose this is some consolation! Let's hope this interpretation turns out wrong!

You need to be careful here, Abdul Hakim. Satanic dreams can be a suggestion of your own mind in the quest for power & recognition. Let not the Satan lead you astray! [If I had a dream that I am a prophet, I'd seek Allah's forgiveness, for this would obviously not be true].

THE DUA IS NOT FOR KAFIRS. IF YOU ARE KAFIR, WHAT ARE YOU DOING AMONGST MUSLIMS?

Rishi Dwivedi <rishidwivedi1@gmail.com> wrote:

Call to the Muslims of the World
From Faith Freedom International

Dear brothers and sisters in humanity and Dear Muslims.

THE tragic incident of September 11 has shocked the world. It is unthinkable how anyone could be so full of hate as to commit such heinous act and kill so many innocent people. We people of Muslim origin are as much shaken as the rest of the world and yet we find ourselves looked upon with suspicion and distrust by our neighbors and fellow citizens. We want to cry out and announce that we are not terrorists, that those who perpetrate such despicable act are murderers and are not part of us. But, in reality, because of our Muslim origin we just cannot erase the stigma of "Islamic Terrorists" from our identity!

Most Muslims believe: "Islam would never support killing innocent people. Allah of Holy Quran never advocated killings. This is all the work of a few misguided individuals. The real Islam is sanctified against violence. Islam means peace. Islam means tolerance." But is it true? Does Islam really preach peace, tolerance and non-violence? Those Muslims who perpetrate crimes in the name of Allah think differently. They believe that what they do is a Jihad (holy war). They say that killing the unbelievers is mandatory for every Muslim. They do not kill because they break the laws of Islam but because they think this is what a true Muslim should do. Those who blow up their own bodies to kill more innocent people do so because they think they will be rewarded in Paradise. They hope to be blessed by Allah, eat celestial food, drink pure wine and enjoy the company of divine consorts.

Are they completely misguided? Where did they get this distorted idea? How did they come to believe that killing innocent people pleases God? Or is it that we are misguided? Does Islam really preach violence? Does it call upon its believers to kill the "non-believers" ? We denounce those who commit acts of violence and call them extremists. But are they really extremists or do they actually do what the Holy book of Quran tells them to do? What does the Quran really teach? Have we read the Quran? Do we know what kind of teachings are there? Let us go through some of them and take a closer look at what Allah says.

What The Qur'an Teaches:

QURAN tells us to: "not to make friends with Jews and Christians" (5:51), fight them "until they pay the Jizya (a penalty tax for the non-Muslims living under Islamic rules) with willing submission, and feel themselves subdued" (9:29). "kill the disbelievers wherever we find them" (2:191), "murder them and treat them harshly" (9:123), "fight and slay the Pagans, seize them, beleaguer them, and lie in wait for them in every stratagem" (9:5). Quran says that all those who disbelieve in Islam go to hell (5:10), they

are najis (filthy, untouchable, impure) (9:28), and orders us to fight the unbelievers until no other religion except Islam is left (2:193). It prohibits a Muslim to befriend a non-believer even if that non-believer is the father or the brother of that Muslim (9:23), (3:28). It says that the "non-believers will go to hell and will drink boiling water" (14:17). It asks the Muslims to "slay or crucify or cut the hands and feet of the unbelievers, that they be expelled from the land with disgrace and that they shall have great punishment in the world hereafter" (5:34). And tells us that "for them (the unbelievers) garments of fire shall be cut and there shall be poured over their heads boiling water whereby whatever is in their bowels and skin shall be dissolved and they will be punished with hooked iron rods" (22:19-22) and that they not only will have "disgrace in this life, on the Day of Judgment He shall make them taste the Penalty of burning (Fire)" (22:9).

Quran says that "those who invoke a god other than Allah not only should meet punishment in this world but the Penalty on the Day of Judgment will be doubled to them, and they will dwell therein in ignominy" (25:68). For those who "believe not in Allah and His Messenger, He has prepared, for those who reject Allah, a Blazing Fire!" (48:13).

As for him who does not believe in Islam the Prophet says that after he dies it will be announced with a "stern command": "Seize ye him, and bind ye him, And burn ye him in the Blazing Fire. Further, make him march in a chain, whereof the length is seventy cubits! This was he that would not believe in Allah Most High. And would not encourage the feeding of the indigent! So no friend hath he here this Day. Nor hath he any food except the corruption from the washing of wounds, Which none do eat but those in sin." (69:30-37)

The holy Prophet prescribes fighting for us and tells us that "it is good for us even if we dislike it" (2:216). Then he advises us to "strike off the heads of the disbelievers"; and after making a "wide slaughter among them, carefully tie up the remaining captives" (47:4). Our God has promised to "instill terror into the hearts of the unbelievers" and has ordered us to "smite above their necks and smite all their finger-tips off them" (8:12). and "to strike terror into (the hearts of the enemies" (8:60).

He has made the Jihad mandatory and warns us that "Unless we go forth, (for Jihad) He will punish us with a grievous penalty, and put others in our place" (9:39). Allah speaks to our Holy Prophet and says "O Prophet! strive hard against the unbelievers and the Hypocrites, and be stern against them. Their abode is Hell,- an evil refuge indeed" (9:73).

He promises us that in the fight for His cause whether we slay or are slain we return to the garden of Paradise (9:111). In Paradise he will "wed us with Houris (celestial virgins) pure beautiful ones" (56:54), and unite us with large-eyed beautiful ones while we recline on our thrones set in lines (56:20). There we are promised to eat and drink pleasantly for what we did (56:19). And have sex with "boys like hidden pearls" (56:24) and "youth never altering in age like scattered pearls" (76:19)

As you see, Allah has promised all sorts of rewards, gluttony and unlimited sex to Muslim men who kill the unbelievers in his name, not forgetting even those with pedophilic inclinations. We will be admitted to Paradise where we shall find "goodly things, beautiful ones, pure ones confined to the pavilions that man has not touched them before nor jinni" (56:67-71).

In the West we enjoy freedom of belief but we are not supposed to give such freedom to anyone else because it is written "If anyone desires a religion other than Islam (submission to Allah), never will it be accepted of him; and in the Hereafter He will be in the ranks of those who have lost (all spiritual good) (3:85).

As for women, the book of Allah says that they are inferior to men and their husbands have the right to scourge them if they are found disobedient (4:34). It advises men to take a green branch and beat their wives, because a green branch is more flexible and hurts more. (38:44). It teaches that women will go to hell if they are disobedient to their husbands (66:10). It maintains that men have an advantage over the women (2:228). It not only denies the women's equal rights, it decrees that their witness is not admissible in the courts of law (2:282). This means that a woman who is raped cannot accuse her rapist unless she can produce a male witness. Our Holy Prophet allows us to marry up to four wives and he licensed us to sleep with our slave maids and as many 'captive' women as we may have (4:3) even if those women are already married. He himself did just that.

[A word of warning for those who may find their version of Quran is translated differently from those appearing in this article: Almost all the translators of Quran have deliberately tried to soften the harsh verses of Quran. Yusufali especially goes out of his way to twists the meaning of the words and hide the harshness of Quran. For example he translates the verse (38:44) that says "take a green branch and beat your wife" as "take a little green grass and strike therewith". Or when he translates the verse (4:34) that says "beat your wife" he cannot help it but to add the word (lightly) in parenthesis.]

Dear fellow Muslims: Is this the Islam you believe in? Is this your Most Merciful, Most Compassionate Allah whom you worship daily? Could God incite us to kill other peoples? Please understand that there is no terrorist gene but there could be a terrorist mindset. That mindset finds its most fertile ground in the tenets of Islam. Denying it and presenting Islam as a religion of peace similar to Buddhism to the lay public is suppression of truth. The history of Islam between 7th and 14th century is riddled with violence, fratricide and wars of aggression, starting right from the death of the Prophet and during the so-called 'pure' or orthodox caliphate. And Muhammad himself hoisted the standard of killing, looting, massacres and bloodshed. How can we deny the entire history? The behavior of our Holy Prophet as recorded in authentic Islamic sources is quite questionable from a modern viewpoint. The Prophet was a charismatic man but he had few virtues. Imitating him in all aspects of life (following Sunnah) is firstly impossible and secondly dangerous in the 21st century. Why are we so helplessly in denial on this simple issue?

When the Prophet was in Mecca and he was still not powerful enough he called for tolerance. He said "To you be your religion, and to me my religion" (109:6). This famous quote is often misused to prove that the general principle of Quran is tolerance. He advised his follower to speak good to their enemies (2:83), exhorted them to be patient (Q. 20:103) and said that "there is no compulsion in religion" (2:256). But all that changed drastically when he came to power. Then killing and slaying the unbelievers was justified in innumerable verses with harshness and without mercy. The verses quoted to prove Islam's tolerance ignore many other verses that bear no trace of tolerance or forgiveness. Is it normal that a book revealed by God should have so many serious contradictions?

The Prophet himself set the example of unleashing violence by invading the Jewish

settlements breaking the treaties he had signed with them and banished some of them after confiscating their belongings massacring others and taking their wives and children as slaves. He inspected the youngsters and massacred all those who had pubic hair along with the men and those who were younger he kept as slaves. He distributed the women captured in his raids among his soldiers keeping the prettiest for himself (33:50). He made sexual advances on Safiyah a Jewish girl in the same day he captured her town, Kheibar, and killed her father, husband and many of her relatives. Reyhana was another Jewish girl of Bani Quraiza whom he used as sex slave after killing all her male relatives. In the last ten years of his life he accumulated a score of wives, concubines and sex slaves including the nine-year-old Ayesha.

These are not stories but records from authentic Islamic history and the Hadiths. It can be argued that these behaviors were not unknown or unusual for the conquerors and leaders of the mediaeval world but these are not the activities befitting of a peaceful saint and certainly not of someone who claimed to be the Mercy of God for all the creation.

There were known assassinations of adversaries during the Prophet's time, that took place at his behest. Among them there was a 120-year-old man, Abu 'Afak whose only crime was to compose a lyric satirical of the Prophet. (Kitab al Tabaqat al Kabir, Volume 2, by Bin Sa'd, page 32) Then when a poetess, a mother of 5 small children, 'Asma' Bint Marwan, wrote a poetry cursing the Arabs for letting Muhammad assassinate an old man, our Holy Prophet ordered her to be assassinated too in the middle of the night, which was carried out while her youngest child was suckling from her breast. (Sirat Rasul Allah, A. Guilaume's translation, The Life of Muhammad, page 675, 676).

Dear conscientious Muslims: Question yourselves - isn't this compulsive dogma of following a man who lived 1400 years ago, leading us to doom in this changing world? Who are we deceiving? See how our Umma (people) have sunk into poverty and how we lag behind the rest of the world? Isn't it because we are following a religion that is outdated and impractical? In this crucial moment of history, when a great catastrophe has befallen us and a much bigger one is lying ahead, should not we wake up from our 1400 years of slumber and see where things have gone wrong? The hatred has filled the air and the world is bracing itself for its doomsday. Should we not ask ourselves whether we have contributed, unwittingly, to this tragedy and whether we can stop the great disaster from happening?

Unfortunately the answer to the first question is yes. Yes, we have contributed to the rise of fundamentalism by merely claiming Islam is a religion of peace, by simply being a Muslim and by saying our shahada (testimony that Allah is the only God and Muhammad is his messenger). By our shahada we have recognized Muhammad as a true messenger of God and his book as the words of God. But as you saw, those words are anything but from God. They call for killing, they are prescriptions for hate and they foment intolerance. And when the ignorant among us read those hate laden verses, they act on them and the result is the infamous September 11, the result is human bombs in Israel, massacres in East Timor and Bangladesh, kidnappings and killings in Philippines, slavery and genocide in Sudan, honor Killings in Pakistan and Jordan, torture in Iran, stoning and maiming in Afghanistan and Iran, violence in Algeria, terrorism in Palestine and misery and death in all Islamic countries. We are responsible because we endorsed Islam and hailed it as a religion of God. And we are as guilty as those who put into practice what Quran preaches and ironically we are the main victims too.

If we are not terrorists, if we love peace, if we cried with the rest of the world for what happened in NYC, then why are we supporting Quran that preaches killing, that advocates holy war, that calls for murder of non-Muslims? It is not the extremists who have misunderstood Islam. They do literally what Quran ask them to do. It is we who misunderstand Islam. We are the ones who are confused. We are the ones who wrongly assume that Islam is the religion of peace. Islam is not a religion of peace. In its so-called pure form it can very well be interpreted as a doctrine of hate. Terrorists are simply doing that and we the intellectual apologists of Islam are justifying it.

We can stop this madness. Yes we can avert the disaster that is hovering over our heads. Yes we can denounce the doctrines that promote hate. Yes we can embrace the rest of humanity with love. Yes, we can become part of a united world, members of one human family, flowers of one garden. We can dump the claim of infallibility of our Book and the questionable legacy of our Prophet.

Dear friends, there is no time to waste. Let us put an end to this lie. Let us not fool ourselves. Islam is not a religion of peace, of tolerance, of equality or of unity of humankind. Let us read the Quran. Let us face the truth even if it is painful. As long as we keep this lie alive, as long as we hide our head in the sands of Arabia we are feeding terrorism. As long as you and I keep calling Quran the unchangeable book of God, we cannot blame those who follow the teachings therein. As long as we pay our Khums and Zakat our money goes to promote Islamic expansionism and that means terrorism, Jihad and war.

Islam divides the world in two parts: Darul Harb (land of war) and Darul Islam (land of Islam). Darul Harb is the land of the infidels, Muslims are required to infiltrate those lands, proselytize and procreate until their number increase and then start the war and fight and kill the people and impose the religion of Islam on them and convert that land into Darul Islam.

In all fairness we denounce this betrayal. This is an abuse of trust. How can we make war in the countries that have sheltered us? How can we kill those who have befriended us? Yet willingly or unwillingly we have become pawns in this Islamic Imperialism. If this sound to you abhorrent, we ask you how can you support a doctrine that is so deceiving, so cunning and so ruthless? Let us see what great Islamic scholars have to say in this respect.

Dr M. Khan, the translator of Sahih Bukhari and the Quran into English wrote: "Allah revealed in Sura Bara'at (Repentance, IX) the order to discard (all) obligations (covenants, etc), and commanded the Muslims to fight against all the Pagans as well as against the people of the Scriptures (Jews and Christians) if they do not embrace Islam, till they pay the Jizia (a tax levied on the Jews and Christians) with willing submission and feel themselves subdued (as it is revealed in (9:29). So the Muslims were not permitted to abandon "the fighting" against them (Pagans, Jews and Christians) and to reconcile with them and to suspend hostilities against them for an unlimited period while they are STRONG and have the ability to fight against them. So at first "the fighting" was forbidden, then it was permitted, and after that it was made obligatory." [Introduction to English translation of Sahih Bukhari, p.xxiv.]

Dr Sobhy as-Saleh, a contemporary Islamic academician, quoted Imam Suyuti the author of Itqan Fi 'Ulum al-Qur'an who wrote: The command to fight the infidels was DELAYED UNTIL THE MUSLIMS BECOME STRONG, but when they were weak

they were commanded to endure and be patient. [Sobhy as-Saleh, Mabaheth Fi 'Ulum al-Qur'an, Dar al-'Ilm Lel-Malayeen, Beirut, 1983, page 269.]

Dr Sobhy, in a footnote, commends the opinion of a scholar named Zarkashi who said: "Allah the most high and wise revealed to Mohammad in his weak condition what suited the situation, because of his mercy to him and his followers. For if He gave them the command to fight while they were weak it would have been embarrassing and most difficult, but when the most high made Islam victorious He commanded him with what suited the situation, that is asking the people of the Book to become Muslims or to pay the levied tax, and the infidels to become Muslims or face death. These two options, to fight or to have peace return according to the strength or the weakness of the Muslims." [ibid p. 270]

Other Islamic scholars (Ibn Hazm al-Andalusi, Ga'far ar-Razi, Rabi' Ibn 'Ons, 'Abil-'Aliyah, Abd ar-Rahman Ibn Zayd Ibn 'Aslam, etc.) agree that the verse "Slay the idolaters wherever you find them" (9:5) cancelled those few earlier verses that called for tolerance in Quran and were revealed when Islam was weak.

Can you still say that Islam is the religion of peace?

Conclusion:

WE know too well that it is not easy to denounce our faith as it means denouncing a part of ourselves. We are a group of freethinkers and humanists with Islamic roots.

Discovering the truth and leaving the religion of our fathers and forefathers was a painful experience. But after learning what Islam stands for, we had no choice but to leave it.

After becoming familiar with the Quran, the choice became clear: it is either Islam or it is humanity. If Islam is to thrive, humanity has to die.

We decided to side with humanity. We are still Muslims culturally but we no more believe in Islam as the true religion of God. We are humanists. We love humanity. We endeavor for the unity of humankind. We work for equality between men and women. We strive for secularization of Islamic countries, for democracy and freedom of thoughts, beliefs and expressions. We have decided not to live anymore in self-deception but to embrace humanity, enter into the new millennium hand in hand with people of other cultures and beliefs in amity and in peace. We denounce the violence that is eulogized in Quran as holy war (Jihad). We condemn killing in the name of God. We believe in sacredness of human life, not in the inviolability of beliefs and religions. And we invite you to join us and the rest of the humanity and be part of the family of humankind with love, camaraderie and peace.

This human made god has run out of material to build more houses in Paradise, for the innocent and thugs who dies. May be the economy hit him hard too. Cement is expensive. labor is expensive, angels are on strike and the shipment of bricks from another Quasar was interrupted because of a crazy suicide bomber. Now all the bricks are floating around in space.

All the ways for making your life happy, your physical body protected and nourished along with your and others families are plainly described in the Quran. A system.

In case if some crazy, illiterate and mislead Muslim still resorts to Duas of Mullah's, he may do so but he will be merely wasting time and polluting the air with more hot air.

Wa Laikum Salam , Br. Kami

I've found some interpretations for the symbols in your dream; it seems that you'll be getting wealth in the future but will hide it from your uncle !

Fish

In Islam if you dream of fish this means you'll get wealth.

<http://ph.answers.yahoo.com/question/index?qid=20080303223741AA6c2zX>

Rice

- Rice is good to see in dreams, as it foretells success and warm friendships. Prosperity to all trades is promised, and the farmer will be blessed with a bounteous harvest.
- To eat it, signifies happiness and domestic comfort.
- To see it mixed with dirt or otherwise impure, denotes sickness and separation from friends.
- For a young woman to dream of cooking it, shows she will soon assume new duties, which will make her happier, and she will enjoy wealth.

http://www.experiencefestival.com/dream_dictionary_rice

Flowers

Dream I was eating flowers?

Last night, I dreamt I was sitting on grass, eating white daisies with a blue dress on myself. Say what?

Best Answer - Chosen by Asker

This is a very lovely dream...when you eat something, you are offering spiritual and emotional nourishment to yourself, a phrase that I connect to eating in dreams is "food for thought" as a dream pun. Daisies represent things like purity and innocence, they are also linked to the sun, they are symbolic of enlightenment, and illumination.

Dear Brother Umar

Please tell the interpretation of dreams

I have a dream that I and my younger brother were eating rice and fish. I was catching the fishes from water the fishes were very beautiful. My brother was cooking these fishes in the rice. I taste the rice and take a piece of fish. The fish was not cooked properly so I did not eat more. Suddenly my uncle came and we hide the dish.

I saw the dream again that we are eating the rice. There were some small yellow flowers with me. I was mixing the flowers with rice and eating the rice.
