Assalamualaikum Dr.Umar

JAZAKALLAH for your prompt reply and your detailed report.I just got time to read it while going to work today morning.

I am basically from Pakistan,but residing in UAE.Though being a muslim country I always thought that majority of products are imported like Nestle,etc hence I should know whether they are Halal or not.And i am glad to find that certain products like Flake,Cadbury, Ferreo Rocher,KitKat which my siblings usually are fond of are infact Halal.Also i personally e mailed Nestle consumer service dept,the reply of which is at the end.

I am almost done with the research related to chocolates.These days I am finding about the food colours used,for eg Foster Clarks.Its the only company I usually find in the super markets.Do you have any idea of them being halal or not?.

Also I would request you to share your report on [www.yanabi.com](http://www.yanabi.com) in the HALAL section.Your report would benefit many Muslims living in UK(as majority of users are UK based)..

ALLAH HAFIZ

Dear Zainab,

Thank you for contacting NESTLE Middle East with your inquiry.

With reference to the your query, please note that Nestle Products world wide maintain the same quality which constantly is been improved, however the aspects of each products varies i.e. the product produced for Middle East is different than the ones available in Brazil, India etc. Products coming for Middle East must respect all specification and regulation mandated by the authorities in our region, for example when we use gelatin or any ingredient from animal source it will be clearly declared in the ingredients list and it is definitely **HALAL as mandated by the law.**

All the ingredients that are used in Nestle products that intended to Middle East are HALAL and in conformity with the international legislation and local food regulation that enforced in these Muslim countries.

Please don't hesitate to contact us if you have any further question or inquiry.

Thank you once again for contacting us.

Dear Shiham,

The word 'ALLAH' in Arabic was formed miraculously by the birthmarks of the two babies. I believe it happened in Malaysia, but the details were not provided when the photograph was made public. This is God's way of showing people that God is Present everywhere and is Responsible for creating life. Non-Muslims have converted to Islam after seeing natural miracles!

The image on the stone is not clear because the surface of the stone did not come out well in the picture. But all the other photographs are clear - what about those! Also, you can see **more** photographs in the ASPECTS OF ISLAM [2] section of my other Website [www.dr-umar-azam.co.uk](http://www.dr-umar-azam.co.uk)

If you have any further questions, please do not hesitate to contact me. It is very pleasing for me that my Website is used in faraway places like The Phillipines, and that you, as an intelligent student of the Universidad de Zamoanga, have been studying my Site.

maybe one suggestion is that when sending these emails out maybe you can reformat the way you have laid the email out, it appears quite cluttered even though it is valuable information. i know you have a website maybe you could put the letters from the various companies on there and when sending emails out just a comprehensive list of halal foods? and also maybe lose the different colours.

this is just a suggestion no need to take it into consideration this was fairly an observation.

Hello, the form does not work. This is the poem I wish to submit:

FEARFUL LOVE

It crosses my mind, O beloved,  
To kiss your sanguine lips,  
And to opportunely wrap an arm  
Around your shapely hips!

The heart fills with want  
To stroke your textured hair,  
And to leave the mark of a bite of love  
On a tender skin so fair!

May I yield to the irresistable urge

To stifle you with my presence;  
To dwell so eagerly in your beauty  
That your whole world is my essence?

The soul plans a vendetta  
To make you mine tonight.  
God forbid that it should be,  
Without marriage, it isn't right!

And your fixated look forewarns,  
I'm ensnared in a wishful flap:  
To carry out my animal yen  
Is to experience a resounding slap!

Dear Umar Azam,

***Imagine your poem featured on an entire page to itself . . .***

Over the past year or so, we have been reviewing the thousands of poems submitted to us, as well as examining the poetic accomplishments of people whose poetry has appeared on the Internet and in various editions released by other poetry publishers in America and Europe. After an exhaustive examination of this poetic artistry, the International Library of Poetry wishes to feature an entire page [devoted exclusively to the poetry of Umar Azam](#) in a collection of new poems written by the Best Poets we have encountered. **I am pleased to tell you that you have been selected to appear in this special edition . . .**

## ***The Best Poems and Poets of 2007***

---

***Congratulations on your accomplishment, Umar!*** Your poetry will be featured along with the work of a distinguished group of approximately 200 of the Best Poets who were selected to participate in this special project.

***And that's not all!*** To honor the accomplishments of this elite group of talented individuals, we have established a separate contest with **over \$4,000.00 in prizes** to be awarded among you. **You will automatically be entered into the final competition, but you must submit a new unpublished poem on the attached entry form** (if you have not already done so by mail). Prizes for this special contest will be announced by Summer 2008, with an anticipated publication date of Fall 2008.

The Best Poems and Poets of 2007 will be among the finest quality books we have ever produced. Every aspect of publication and design will convey the quality craftsmanship and attention to detail that will go into the production of this special edition. This coffee-table quality book will be printed in two colors on fine-milled paper and will feature a highly detailed and ornate cover and quality typography throughout.

**This special edition will feature an entire page devoted exclusively to a new, unpublished poem by Umar Azam!**

***Before going any further, Umar, let me make one thing clear . . .*** you were selected for publication on the basis of your unique talent. *The new poem that you will submit for this edition* has been tentatively accepted for publication because your previously published poetry sparks the imagination and presents the reader with a fresh, unique perspective on life.

We believe you to be one of the most interesting poets we have encountered, so we wish to feature your artistry in this special edition and make this exclusive prize money available to you and the others who have been chosen for publication. You should be aware that you are under no obligation whatsoever to submit any entry fee or subsidy payment, or to make any purchase of any kind. Of course, many people do wish to own a copy of the publication in which their artistry appears. **If you**

[would like to order a copy, please go here for special discount information.](#)

### ***So What Happens Now?***

As I mentioned above, your poetry will automatically be accepted into this special edition, and as soon as you [submit your new, unpublished poem](#), it will be typeset for publication and entered into the final competition of the contest. You will also receive a typeset "Artist's Proof" of your poem for your review prior to publication. And let me assure you, your poem remains your property -- The Best Poems and Poets of 2007 is copyrighted as a compilation. This means that you retain all rights to your included work.

### ***Umar, Please Enter Your Poem Right Away!***

In order to make our scheduled publication date, you must [submit your new poem as soon as possible](#). Your poem must be original, it must be 24 lines or less (including stanza breaks), and it must be written by you as one of our Best Poets of 2007. (Since you have been specially selected for the quality of your poetry, if you use a pen name you must certify that the poem you submit was written by Umar Azam.) And, if you wish to order a copy of The Best Poems and Poets of 2007 at our [special pre-publication price go here](#) (you are under no obligation to order anything).

Umar, you also have the opportunity to include some personal information about yourself and your poetry in this elegant edition. In this way, readers can gain a greater awareness about your motivations, the meaning poetry has in your life, the story behind your poem, or your personal or philosophical point of view. Your biography will be printed on a page by itself, directly across from your poem--you will have two full pages in the book devoted exclusively to you and your artistry. And although we must charge a nominal fee for this service, you are under no obligation to include this information. Your poem can be published without it if you wish. [Please see the Artist's Profile for further information.](#)

Again, congratulations. The Best Poems and Poets of 2007 promises to be the most exclusive collection of poetry we have ever published. We feel you have a special talent and we believe your poem will add to the importance and appeal of this edition. Your contribution to this project is greatly appreciated.

Sincerely,

Howard Ely  
Managing Editor

**P.S.** Umar, you should be genuinely proud of your achievement. You have been selected to participate in The Best Poems and Poets of 2007 because of your unique vision. It is our pleasure to publish fine poetry such as yours in this historic volume. And, if you decide to order a copy, we are so certain that you will love the quality of the edition and the way your poetry is presented, we can proudly offer an unconditional, iron-clad guarantee. If for any reason you are dissatisfied, your money will be promptly refunded.

He saw me and left the washing incomplete and goes to a washroom and start washing.

I completed the ablution from that water tap and went to the place where funereal was in progress. One of my cousins (her son) has to recite the Holy Quran but he forgets some verses and the funereal was postponed. The funereal was postponed till the completion of recitation.

I saw smoke and for cooking of food. I asked my cousin (her daughter) who is incurring the expenses for meal for guests who are there for funereal. She replied my uncle (he can be my father).

Salam, Rehmana

I think the first part of the dream is concerned with protection from

*nazar* [the evil eye], perhaps because of a forthcoming marriage etc. This fits in with the next bit about seeing lots of gold jewellery.

## **Gold**

**GOLD: Being given gold or finding gold may indicate finding a suitable wife or a successful marriage. The symbolism is derived when the Prophet restricted ornaments of gold to women.**

**Based on: Abdullab ibn Zurrayr related that he heard Ali ibn Abi Talib say that the Prophet took some silk in his right hand and some gold in his left hand. Then he said, "These two are forbidden to the males of my nation" [Sunan of Abu Dawood, vol 3 p 1133 no 4046; an Nasaee and Ahmad]**

**Salam, Sarfraz**

Thanks for dealing with Mr Rishi. I suspect that people like Sajjad A [he is a male], Jimmy Junaid and Rishi are infiltrators of some kind. However, I will still include them in mailing lists in the hope that Allah will turn their hearts. Even if that doesn't happen, we learn more about the devils amongst us - what they *really* think!

Not to worry if you couldn't open the attachments that I sent. Masha'Allah, these resources are on the Web as an emergency back-up.

How does he know that people will be living in houses in paradise?  
This is a fraud with Muslims.

**Mullah's follow the Devil.**

Out of tens of thousands of false Hadiths, criminally and wrongly attributed to the exalted Mohammed and his companions, the notorious Mullah Bukhari did the cherry picking and chose the most sexually provocative and enticing ones and the ones with blatant lies against the exalted Mohammed, his companions and wives. He rejected thousands and hence became the first Hadith rejecter. These slandering self concocted tales, the lecherous Bukhari kept in order to distract, entice and destroy the coming generations of Muslims.

**Now known as the Sahih Bukhari.**

Now the Mullahs attribute the Muslim's degraded standard of living not to their works and the deliberate deviation from the Quran but blame it on their victims using excuses, that it is a test. After instilling the

Devils literature among the Muslims since more than a thousand years, these thugs have derailed millions from the path of blessing which Allah and Mohammed promised to their followers. Those blessings were to be showered upon the Muslims when they followed the Quran. The messenger practically proved it by following the Quran and so did the later Khalifas. The Mullah/Immams of the same degraded low mentality wanted an easy living, power and control but such had no place in the Qurans honest system they resorted to inventing a parallel system against the divine one. The one which shows the Muslims how to make others follow the Devils ways for collecting rewards from him.

Here they had leadership, wealth, easy life for themselves by putting millions of Muslims on the wrong track by following the Hadiths for centuries. These Hadiths were invented and written for exactly the same purposes of derailing the Muslims. The clergy utilized them well, for their benefits and for serving the Monarchs, the Dictators and the few rich families. While the Qurans way provided for all equally, these thugs stood up and rebelled against it and chose to promote the Hadiths which caters for a few only. This is their war against Allah and His messenger. It was bound to fail and is fast failing as more and more Muslims get educated and study the Quran themselves.

Liars as they are since twelve hundred years, they have been trampling upon the lives and rights of millions of unaware, poor Muslims and feeding upon them like vultures and Hyenas. When they complain you point your finger in the direction of Israel, the West and India and tell the masses, they do this to you. They are cause of all your misery.

In fact the Shaitan is their teacher and they are his faithful followers. Millions have found out the truth about Mullah/Immams and their team but a large majority is still under their spell and chooses to remain oblivious to Allah's message. They ignore it, disrespected it, and remain insincere to it and insist on following their Hadiths ways instead. The clergy of Muslims has misled millions of Muslims for hundreds of years. Presently they are all facing the results of their wrong doings to humanity in many countries. Iraq, Afghanistan, Pakistan, India, Africa, Kashmir and Palestine are rife with havoc. In their quest for further wealth and power they have invaded the Western countries where Mosques are popping up like mushrooms every where.
